Re: 17-cv-5833
Request for 24-hour Extension to File Objection to or Request For Correction
Regarding Your Discovery Order Entered on Veterans Day

Dear Your Honor:

I literally just filed an Objection due at 11:30a.m. in Bankruptcy Court and see that the Court issued an Order yesterday, which I believed was a Court holiday, requiring objection by noon today. I cannot write that fast.

I had anticipated simply consenting to email service today, but the Court's Order now presents a serious and far-reaching problem affecting multiple actions. Mr. Berry submitted a false affidavit of service and the Court relied upon that, creating a factual nightmare situation the Court does not likely see. I request a 24-hour extension to explain this situation to the Court and request a revision/correction.

Respectfully submitted,

Michael Hayden Sanford
